UP-TO-DATE 'PHONE SERVICE HERE SOON

New Columbia System Will
Be in Working Order
in Two Months.

NO RINGING OF BELL

You Can Get Central Then
Simply By Lifting the
Receiver.

The antiquated system of ringing a
bell to call the telephone "central" will
soon be done away with in Columbia.
After the new system has been in-
stalled it will only be necessary to lift
the receiver from the hook.

Extensive improvements in all
branches of the service are being made
by the Columbia Telephone company,
which expects to have the new mecha-
nism in working order in two months.
The switchboard, the most important
part of the new system, will begin to
arrive in about ten days. It will take
nearly two months to assemble the
mechanism and have the whole ready
for use.

The system will be brand new
throughout. Poles, wires, telephone
office equipment, switchboard, will all
be new, and even a new building will
be used as the home of the system.
All the mechanism will be installed
without in any way disturbing the
old. When the new telephones are in
readiness for use, the telephone girls
will move to the new office on Ninth
street and not till then will the work
of tearing out the old system begin.

The new switchboard will be much
simpler and easier to operate than the
old. It will be of the latest design
and the company promises it will give
to Columbia service equal to that of
the large cities. Fewer operators will
be required to run the new board and
connections can be made more rapidly
and satisfactorily. The many trouble
calls that now worry the chief
operator will be eliminated.

SECRET SOCIETIES ARE BARRED

Undemocratic, Regents of Oklahoma
Agricultural School Declare.

GUTHRIE, Okla., April 30.—The
board of agriculture has put an em-
phatic veto upon all attempts to or-
ganize Greek letter fraternities or oth-
er secret societies at the A. & M. Col-
lege at Stillwater, on the ground that
they are undemocratic and interfere
with the real work of the school.
Several attempts have been made
lately to effect such organization, but
all met with the same fate. The ques-
tion was brought up a number of years
ago under the territorial regime and
with the same result as at this time.

Freshmen-Senior Game a Tie.

The second baseball game between
the seniors and freshmen, Thursday
afternoon, resulted in a tie score of 2
and 2. The game was called in the
last half of the seventh inning on ac-
count of rain. The batteries were:
seniors, Mayfield and Trowbridge;
freshmen, Bradley and Marshall.

Value of Backbone.

The man with backbone turns trials
into triumphs, vexations into victories;
nor is he easily stampeded. He dares
to act while others debate, for his con-
victions are not easily shaken. His
success is not an accident.—S. DeWitt
Clough.
